

Club Meeting Minutes
March 17, 2016
Audrain Courthouse Conference Room

Meeting was called to order by President Ron Hutsel.

Treasurer's Report was submitted and accepted.

Minutes were submitted and accepted.

Ron asked for any old business that needed to be discussed.

- CPR and First Aid Training – Chris KE0HLA is still working on getting this setup with Red Cross and Audrain Ambulance District.

Ron opened the floor for new business.

Mike W0IXS brought up the idea of buying a few handheld radios for use at the hospital, and letting the maintenance staff use them to keep the batteries in good shape. This was tabled due to Jeff K0QCN possibly going to bulk order some radios.

Kenny KE0DUO reported that the radios we currently have at the hospital need to have some of the batteries replaced. Topic was tabled.

Kenny KE0DUO opened discussion on toning the repeater. It was decided to wait until the band opening to see if it was going to be necessary to tone it or not.

Ron W0JAE opened discussion on the possibility of starting a simplex net. Topic was tabled, nothing was decided.

Bill K0ACS made a motion to adjourn the meeting, and Kenny KE0DUO gave a second. Meeting was adjourned.
